## **Pop That**

## **David Banner**

Hey, baby girl, what's your name? Who you with? Do you wanna get down with this pimpin' lil' chick? Pop that thang, girl, pop, pop, pop, pop that thang, girlHey, baby girl, what's your name? Who you with? Do you wanna get down with this pimpin' lil' chick? Pop that thang, girl, pop, pop, pop, pop that thang, girlPop that thang, gone shake it for daddy You looking good when you up in the Caddy, we comin' down Then we up in the club, high as hell, we ain't givin' a fuck Mistress screamin' now, name the pot for meLater on you can gone ride on top of me Now, we can blow another sack, forget about the 'Lac Keep the block and bread daddy a stack It's like that Hey, baby girl, what's your name? Who you with? Do you wanna get down with this pimpin' lil' chick? Pop that thang, girl, pop, pop, pop, pop that thang, girlHey, baby girl, what's your name? Who you with? Do you wanna get down with this pimpin' lil' chick? Pop that thang, girl, pop, pop, pop, pop that thang, girlI ain't lying, I get weak for the freak She's so sweet the way she pop, pop, pop, the butt-cheek She got gold in her mouth always hollerin' about the South If the boys came through, now, she's putting up the houseIt's true, boo, what I'm doing to you They way you come through the crib when the night is through And go down, say this' what they loving us Now, they really wanna be you, but they don't know howHey, baby girl, what's your name? Who you with? Do you wanna get down with this pimpin' lil' chick? Pop that thang, girl, pop, pop, pop, pop that thang, girl Hey, baby girl, what's your name? Who you with? Do you wanna get down with this pimpin' lil' chick? Pop that thang, girl, pop, pop, pop, pop that thang, girlShe looks so good when she came to me. Said, "Boy, you better pay, I don't pop for free" Put it like this, you can suck my peter Or even go home, 'cause I really don't need herPut it like this, you can suck my peter Or even go home, 'cause I really don't need her Put it like this, you can suck my peter Or even go home, 'cause I really don't need herI like girls that'll pop it all night for me And if another bitch trip, she'll fight for me And she'll ride on top like a rodeo She be poppin' in the club 'til it's time to goThen, it's straight to the 'Lac Screaming, "Bitch, better gimme my scratch, believe that" If the boy started trippin', it's click-clack Pimp, grabbing my hand like they the MackFrom the mighty, mighty, Mississippi, don't trip

Just call me, and apply for a pimpIt's all love Coming back for you boy back of the club When it's over, then maybe you get a hugHey, baby girl, what's your name? Who you with? Do you wanna get down with this pimpin' lil' chick? Pop that thang, girl, pop, pop, pop that thang, girlHey, baby girl, what's your name? Who you with? Do you wanna get down with this pimpin' lil' chick? Pop that thang, girl, pop, pop, pop, pop, pop that thang, girl
