

# Hands Down (feat. Rick Ross & Yo Gotti)

Remy Ma

Doors up, Doors Down  
When I'm in the club, bitch its going down  
Shorty thick as fuck, hands down  
Hands up, pants down  
Down, down, shorty fucking head down  
I see my phone blowing up, i know its going down  
Once i busted at the rapper, then it hit the town(Remy Ma)  
Niggas stand up, chicks stand down  
Cuz its bad bitches on deck when i'm around  
You see this nigga rich as fuck, hands down  
He throw bands up and bands come down  
(yeah) This dude be spending cash down  
I heard that he be tricking, but the nigga ain't a clown  
He usually do the redbone, tonight he want a brown  
He said the pussy so live these other bitches dead now  
Cuz when we laid up I lay it down  
When he in the pussy nigga swear he bout to drown  
Yeah, it be wet as fuck, hands down  
With the legs up or with the legs down  
Tell them niggas!

Post lil homie bond, now watch him do the shurmda dance  
The cut a nigga yard that shit went down to 30-grand  
Fuck with Shockazooloo in dem in Zimbabwe Fat boy, got 40 foreigners in the driveway  
A hundred bands in the back a make her recognize  
I never ask her name until we fuck a second time  
Standing still diamonds dancing in the summertime  
She be in my double R and im just runnin round  
That body boy punching bag and boy I run the south
