

# I Thought I Lost You

## Miley Cyrus & John Travolta

MILEY

Nobody listens to me  
Don't hear a single thing I've said  
Say anything to soothe me  
Anything to get you from my head  
Don't know how I really feel  
The faith it takes to make like I don't care  
Don't know how much it hurts  
To turn around like you were never there  
Like somehow you could be replaced  
And I could walk away from the promises we made  
And swore we'd never break  
MILEY AND TRAVOLTA I Thought I Lost You (when you ran  
away to try to find me)

I thought I'd never see your sweet face again  
I turned around and you were gone and on and on the days went  
But I kept the moments that we were in  
'cause I hoped in my heart you'd come back to me, my friend  
And now I got you, but I Thought I Lost You

TRAVOLTA

I felt so empty out there  
And there were days I had my doubts  
But I knew I'd find you somewhere  
Because I knew I couldn't live without  
You in my life for one more day  
And I swore I'd never break those (promises we made)  
MILEY AND TRAVOLTA I Thought I  
Lost You when you ran away to try to find me

I thought I'd never see your sweet face again  
I turned around and you were gone and on and on the days went  
But I kept the moments that we were in  
'cause I hoped in my heart you'd come back to me, my friend  
And now I got you, but I Thought I Lost You  
TRAVOLTA  
I told myself I wouldn't sleep 'till I searched the world from sea to sea  
MILEY  
I made a wish upon a star, I turned around and there you were

MILEY AND TRAVOLTA

Now here we are, are  
MILEY

Here we are

I Thought I Lost You  
TRAVOLTA

I Thought I Lost You, too  
MILEY

I Thought I Lost You  
TRAVOLTA

I Thought I Lost You  
MILEY

Yeah  
MILEY AND TRAVOLTA I Thought I Lost You when you ran away to try to find me

I thought I'd never see your sweet face again

I turned around and you were gone and on and on the days went  
But I kept the moments that we were in  
And I knew in my heart you'd come back to me, my friend  
And now I got you, but I Thought I Lost You

MILEY

But I Thought I Lost You

TRAVOLTA

I Thought I Lost You, too

BOTH

So glad I got you, got you

MILEY

So glad I got you, yeah yeah

I Thought I Lost You

TRAVOLTA

I Thought I Lost You
