

Superhuman (feat. Keri Hilson)

Chris Brown

Weak

I had been crying and crying for weeks
How'd I survive when I could barely speak?
Barely eat, on my knees But that's the moment you came to me
I don't know what your love has done to me

Think I'm invincible

I see through the me I used to be You changed my whole life
Don't know what you're doing
To me with your love I'm feeling all superhuman you did this to me
A superhuman heart beats in me
they can't stop me here with you

I feel so superhuman

I feel so superhuman Strong

Since I been flying and righting the wrongs

Feels almost like I had it all along

I can see tomorrow Where every problem is gone because

I flew everywhere with love inside of me

It's unbelievable to see

How love can set me free You changed my whole life

Don't know what you're doing

To me with your love I'm feeling all superhuman you did this to me
A superhuman heart beats in me
they can't stop me here with you

I feel so superhuman

I feel so superhuman It's not a bird, not a plane

It's my heart and it's going gone away

My only weakness is you, only reason is you

Every minute with you I feel like I can do anything

Going, going I'm gone away! Love!

You changed my whole life

Don't know what you're doing

To me with your love

I'm feeling all superhuman you did this to me

A superhuman heart beats in me

Nothing can stop me here with you
