Feel

Robbie Williams

Come on hold my hand I wanna contact the living Not sure I understand This role I've been givenI sit and talk to God And he just laughs at my plans My head speaks a language I don't understandI just wanna feel real love Feel the home that I live in 'Cause I got too much life Running through my veins, going to waste I don't wanna die But I ain't keen on living either Before I fall in love I'm preparing to leave her I scare myself to death That's why I keep on running Before I've arrived I can see myself coming I just wanna feel real loveFeel the home that I live in 'Cause I got too much life Running through my veins, going to waste And I need to feel Real love And a life ever after I cannot give it up I just wanna feel real love Feel the home that I live in I got too much love Running through my veins, to go to waste I just wanna feel real love In a life ever after, there's a hole in my soul You can see it in my face It's a real big place Come and hold my hand I want to contact the living Not sure I understand This role I've been given Not sure I understand Not sure I understand
