

Broken

Depeche Mode

If you want control without any pain
How long will you suffer?
How long will you wait?
Is she the friend that I knew?
He cannot be banned
Replaced by another
Wearing his crown There's a place where I go
Without any sand
Only you can reach me
Only you're allowed
And you're so far away
You're so far from here
Do you remember
Our time without tears?
When you're falling
I will catch you
You don't have to fall that far
You can make it
I will be there
You were broken for the start And you were a child
You dream all day long
You dream of the future
Get lost in your sounds
Now that time is gone
It's lost for you now
Words long forgotten
Forgotten somehow
When you're falling
I will catch you
You don't have to fall that far
You can make it
I will be there
You were broken for the start When you're falling
I will catch you
You don't have to fall that far
You can make it
I will be there
You were broken for the start
