

# Memorial Beach

a-ha

I pace the length of my unmade room  
In times of change  
My bags are packed, guess I'm leaving the womb  
Into the rain We never found  
A place to hide  
Some place of mind  
God knows we tried Toes in the sand, the seductive way  
Ooh, nothing better, babe  
Across the bay, Sarasota Way  
We held together  
We never found  
A place to hide  
Some peace of mind  
God knows we tried, yeah Into the rain  
The summer rain So we walk down to Memorial Beach  
Where things began  
Honey days and nights without sleep  
Lost in the sand We never found  
A place to hide  
Some peace of mind  
God knows we tried, yeah  
We never found  
A place to hide  
Some peace of mind  
God knows we tried, yeah  
God knows we tried So we walk down to Memorial Beach
