

# The Great Escape

## Boys Like Girls

Paper bags and plastic hearts  
All our belongings in shopping carts  
It's goodbye, but we got one more night  
Let's get drunk and ride around  
And make peace with an empty town  
We can make it right Throw it away, forget yesterday  
We'll make the great escape  
And we won't hear a word they say  
They don't know us anyway  
Watch it burn, let it die  
'Cause we are finally free, tonight  
Tonight will change our lives  
It's so good to be by your side  
We'll cry, but we won't give up the fight  
We'll scream loud at the top of our lungs  
And they'll think it's just 'cause we're young  
But we'll feel so alive Throw it away, forget yesterday  
We'll make the great escape  
And we won't hear a word they say  
They don't know us anyway  
Watch it burn, let it die  
'Cause we are finally free, tonight All of the wasted time, the  
Hours that we've left behind, the  
Answers that we'll never find  
They don't mean a thing, tonight  
Throw it away, forget yesterday  
We'll make the great escape  
We won't hear a word they say  
They don't know us anyway Throw it away, forget yesterday  
We'll make the great escape  
And we won't hear a word they say  
They don't know us anyway  
Throw it away, forget yesterday  
We'll make the great escape  
And we won't hear a word they say  
They don't know us anyway  
Watch it burn, let it die  
'Cause we are finally free, tonight!
