The Great Escape

Boys Like Girls

Paper bags and plastic hearts All our belongings in shopping carts It's goodbye, but we got one more night Let's get drunk and ride around And make peace with an empty town We can make it rightThrow it away, forget yesterday We'll make the great escape And we won't hear a word they say They don't know us anyway Watch it burn, let it die 'Cause we are finally free, tonight Tonight will change our lives It's so good to be by your side We'll cry, but we won't give up the fight We'll scream loud at the top of our lungs And they'll think it's just 'cause we're young But we'll feel so aliveThrow it away, forget yesterday We'll make the great escape And we won't hear a word they say They don't know us anyway Watch it burn, let it die 'Cause we are finally free, tonightAll of the wasted time, the Hours that we've left behind, the Answers that we'll never find They don't mean a thing, tonight Throw it away, forget yesterday

We'll make the great escape We won't hear a word they say

They don't know us anywayThrow it away, forget yesterday

We'll make the great escape

And we won't hear a word they say

They don't know us anyway

Throw it away, forget yesterday

We'll make the great escape

And we won't hear a word they say

They don't know us anyway

Watch it burn, let it die

'Cause we are finally free, tonight!
