

# Liquorice

## Azealia Banks

Look, niggas really wanna beat they chest  
For B.A.N.K.S  
These niggas be gorillas for the pin-k flesh  
These niggas be vanilla the chips be legitimate  
They just want the pumpernickel sis in the linens with em  
So since you vanilla men spend  
Can my hot-fudge bitches get with your vanilla friends?  
Hey, I'm the liquorice bitch  
You know I'm lookin for these niggas if these niggas is rich  
I make hits muthafucka  
Do you jiggle your dick when  
Ya bitch pop singin on the liquorice hit, ya know  
Can I catch your eye sir?  
Can I be what you like, yeah?  
I could be the right girl  
Tell me if you like your  
Lady in my might color  
Can I be your type, yeah?  
I could be the right girl  
Tell me if you like your  
Lady in my might color  
Can I be your type, yeah? I can set you right, woah  
How are you tonight, sir?  
I'm livin' my life, oh  
Hope you feel alright, yeah  
Hey, I'm the liquorice bitch  
You know I'm lookin for these niggas if these niggas is rich  
He got creme for ya colors and a blue eye too  
Hi, wanna get your number to your 212 line  
Maybe we can slumber  
We can w-w-w wine  
I don't do yey but if you want to, fine  
Your fantasy can get that pitch black  
Cause it's gone erupt when ya slip in-betwixt that black snatch  
Your like blizzak-ker or black-cat ema-nem-minatin  
Where ya mizzat mustache at  
Huh, I bet you been extra gassed  
I bet you really wanna touch up on the molasses ass  
I bet you really wanna tongue up on her kizzat today  
Cause her kizzat s-shaved  
You wanna cuddle with your bitch after, eh?  
But I gotta dip

I gotta get at the cake  
Lot of skrilac to make  
And the dick don't fuck up any skrilac for Banks  
No issues pickin money over, haha, ya beige in her  
She just wanna see the best in Greece and some gentlemen  
And check these beats in the sun  
He just wanna see the wet wet weave  
When I'm swimmin in the West Indies  
Then I sit up and catch this breeze  
Sip a little bit o' rum and ting  
Nigga These bitches know that I be on my black girl shit  
The black girl pin-up with that black girl dip  
With that black girl spin up on ya wack girl tip  
Ain't official til I been up in that black girl kit  
And take out ya mans and attack real quick  
I'm a hit em with that venom and that rap girl hip  
I flip out the denims know that black girl fit  
Get that Remy in a did and hit that black girl switch  
Bitches better tan for the summer  
And for the haters,  
Quit that chit-chat and get your paper  
Quote the cinnamon and cherry melange bitch verbatim  
When I speak about your face in the clams with the flavors  
You get that?  
And stimulate her  
Take a lick up on my genital  
And sit to savor  
Do ya mans and his liquorice interest a favor I could be the right girl  
Tell me if you like your  
Lady in my might color  
Can I be your type, yeah?  
I can set you right, woah  
How are you tonight, sir?  
I'm livin' my life, oh  
Hope you feel alright, yeah Who-ooo
