Radio Ga Ga

Queen

I'd sit alone and watch your light
My only friend through teenage nights
And everything I had to know
I heard it on my radioYou gave them all those old time stars
Through wars of worlds, invaded by Mars

You made 'em laugh, you made 'em cryYou made us feel like we could flySo don't become some background noise

A backdrop for the girls and boys

Who just don't know or just don't care

And just complain when you're not there

You had your time, you had the powerYou've yet to have your finest hour

Radio

All we hear is Radio ga ga

Radio goo goo

Radio ga ga

All we hear is Radio ga gaRadio ga ga

Radio what's new?

Radio, someone still loves you!We watch the shows, we watch the stars

On videos for hours and hours

We hardly need to use our ears

How music changes through the yearsLet's hope you never leave old friend Like all good things on you we dependSo stick around cos we might miss you

> When we grow tired of all this visual You had your time, you had the power You've yet to have your finest hour
