

# Coming Back for You

## Maroon 5

Looking at the same sky that we used to live under  
Are you thinking about the love that I took from us?  
When you close your eyes  
Do you see me love?  
Am I keeping you awake?  
Whatcha scared about?  
Are you giving up?  
When you know, you know, you know You know that I'm coming back for you  
Don't you worry girl  
Don't you worry girl  
You know that I'm coming back for you  
Don't you worry girl  
I'll be back for you  
So you better wait up  
Keeping the bed warm for me  
All night putting the whisper on me  
Giving that love and emotion that I know  
Doesn't really matter what you do  
I'll be back for you  
Coming back for you  
Yeah  
I know there are millions of miles in between our hearts  
But I will come running for you I don't care how far  
When you close your eyes  
Do you see me love?  
Am I keeping you awake?  
Whatcha scared about?  
Are you giving up?  
When you know, you know, you know You know that I'm coming back for you  
Don't you worry girl  
Don't you worry girl  
You know that I'm coming back for you  
Don't you worry girl  
I'll be back for you  
So you better wait up  
Keeping the bed warm for me  
All night putting the whisper on me  
Giving that love and emotion that I know  
Doesn't really matter what you do  
I'll be back for you  
Coming back for you  
Yeah

Yeah  
Yeah  
Yeah  
You know that I'm coming back for you  
Don't you worry girl  
Don't you worry girl  
I'm coming back for you  
Don't you worry now, now  
Don't you worry now You know that I'm coming back for you  
Don't you worry girl  
Don't you worry girl  
You know that I'm coming back for you  
Don't you worry girl  
I'll be back for you  
So you better wait up  
Keeping the bed warm for me  
All night putting the whisper on me  
Giving that love and emotion that I know  
Doesn't really matter what you do  
I'll be back for you  
Coming back for you  
Yeah
