Live It Up (feat. Pitbull)

Jennifer Lopez

Live it up up I Live it up up I Live it up up IA thousand people stood in line To hear a couple words of mine Afraid I would miss a beat And everyone is watching me I don't know why I'm still afraid It's not like it was yesterday I'm the one stopping me From all the I want to beIt's ridiculous The stars are inconspicuous I told myself this can't be how I think It's irrational It seems so supernatural I'm happy every after all I've seen I'm unstoppable I drop kick impossible I live it up, live it up, up I I live it up, live it up, up I I break down the walls I back hand and smash em all I live it up, live it up, up I I live it up, live it up, up ILive it up, up I Live it up, up IDon't know why my stomach drops Like jumping off a mountain top I used to be fearless when, I had my safety net Wake up my heart is beating fast 'Cause I ain't got no strings attached Free to go anywhere, everywhere It's just that I don't know where It's ridiculous There thoughts are inconspicuous I told myself this can't be how I think

It seems so supernatural
I'm happy every after all I've seenI'm unstoppable
I drop kick impossible
I live it up, live it up, up I
Live it up, live it up, up I
I break down the walls
I back up, smashing ball
I live it up, live it up, up I

It's irrational

Live it up, live it up, up ILive it up, up I Live it up, up INo I'm not afraid No I'm not afraid

Live it up, up I (No I'm not afraid)

No, yeah, yeahI'm unstoppable

I drop kick impossible

I live it up, live it up, up I

Live it up, live it up, up I

I break down the walls

I back hand and smash em all

I live it up, live it up, up I

I live it up, live it up, up ILive it up, live it up baby

Live it up, live it up baby
