You'll Be In My Heart (Phil Version)

Phil Collins

Come stop your crying It will be alright Just take my hand Hold it tight I will protect you From all around you I will be here Don't you cryFor one so small You seem so strong My arms will hold you Keep you safe and warm This bond between us Can't be broken I will be here don't you cry 'Cause you'll be in my heart Yes, you'll be in my heart From this day on Now and forever more You'll be in my heart No matter what they say You'll be here in my heart AlwaysWhy can't they understand The way we feel They just don't trust What they can't explain I know we're different But deep inside us We're not that different at all And you'll be in my heart Yes, you'll be in my heart From this day on Now and forever more You'll be in my heart No matter what they say You'll be here in my heart AlwaysDon't listen to them Cause what do they know? We need each other To have, to hold They'll see in time I knowWhen destiny calls you You must be strong

I may not be with you But you've got to hold on They'll see in time I know We'll show them together'Cause you'll be in my heart Believe me, you'll be in my heart I'll be there from this day on Now and forever moreOooo, you'll be in my heart You'll be here in my heart No matter what they say I'll be with you You'll be here in my heart I'll be there always Always I'll be with you I'll be there for you always Always and always Just look over your shoulder Just look over your shoulder Just look over your shoulder I'll be there always
