

No Sleep

MAGIC!

I get no sleep, I get no sleep
I get no sleep, I'm wide awake
I get no sleep, I get no sleep
I get no sleep, I'm wide awake
It's four o'clock in the morning
I can't sleep cause the dog keeps snoring
And then the baby starts crying
Waking up my girl, she's trying to get a couple hours in
Before we gotta make them breakfast
Then rush to the school again, every damn day
And I get no sleep, I get no sleep
I get no sleep, I'm wide awake
I get no sleep, I get no sleep
I get no sleep, I'm wide awake
Two kids and a mortgage
We had to put our old life in storage
Our single friends don't call us
Cause we'd rather grab drinks at Starbucks
We go to the zoo a lot
We've watched every Disney movie
We love everything we got
But I swear these days
That all I wanna do is lie in bed with you
But no, I get no sleep, I get no
sleep
I get no sleep, I'm wide awake
I get no sleep, I get no sleep
I get no sleep, I'm wide awake
I said I get no sleep
I get no sleep, I get no sleep
I get no sleep, I'm wide awake
I get no sleep, I get no sleep
I get no sleep, I'm wide awake
I get no sleep, I get no sleep
I get no sleep, I'm wide awake
I get no sleep, I get no sleep
I get no sleep, I'm wide awake
I get no sleep, I get no sleep
I get no sleep, I'm wide awake
