College Girl

Bobby Brown

Lady, please tell me How you really feel Deep inside your heart? I hope that it's for real I feel lonely Do you wish that I was there? There right by your side Showing you I careCollege Girl Won't you come over tonight I want to make love to you College Girl I can make it feel alright Lately I've been thinkin' 'Bout how we use to be Something about your love That makes my life complete I've never met a girl Can make me feel the way you do? Girl, won't you come over So I can do the things I wanna doCollege Girl Won't you come over tonight I want to make love to you College Girl I can make it feel alright, yeahCollege Girl Won't you come over tonight I want to make love to you College Girl I can make it feel alright College girl, please let me know the deal If you're for real about the loveCollege Girl Won't you come over tonight? I want to make love to you College Girl I can make it feel alrightCollege Girl Won't you come over tonight? I want to make love to you College Girl I can make it feel alrightCollege Girl Won't you come over tonight? I want to make love to you College Girl I can make it feel alright
