What a Feeling (Hardwell Club Mix)

Alex Gaudino

I, I wasn't even searching for love That's usually right when it creeps up on you And I know, in my heart it's trueOh yeah?Boy you got my attention, what's up? My heart is beating Your screaming got me open so much I think I'm dreamingGot my hands way up I surrender to love To let it all go I'm losing control Feels like I'm on top of the worldI used to think I'd never fall in loveIt's like my favorite star I used to stare at every night Came down from the skyOh yeah?When I love the way you touch My heart is beating Boy I just can't get enough You got my speechless Got my hands way up I surrender to loveTo let it all go I'm losing control Feels like I'm on top of the world Song Discussions is protected by U.S. Patent 9401941.
