Your Song (Sick Individuals Remix)

Rita Ora

I woke up with a fear this morning But I can taste you on the tip of my tongue

Alone without no warning

You're by my side and we've got smoke in our lungsLast night we were way up, kissing in the back of the cab

And then you say "love, baby, let's go back to my flat"

And when we wake up, never had a feeling like that

I got a reason so man, put that record on againI don't want to hear sad songs anymore

I only want to hear love songs

I found my heart up in this place tonight

Don't want to sing mad songs anymore

Only want to sing your song

Cause your song's got me feeling like I'm

I'm in love, I'm in love, I'm in love

Yeah, you know your song's got me feeling like thatNo fear but I think I'm falling

I'm not proud

But I'm usually the type of girl that would hit and run

No risk so I think I'm all in

When I kiss your lips, through my heartbeat thumbAnd now we're way up, dancing on the roof of the house

And then we make love, right there on your best friend's couch

And then you say "love, this is what is all about"

So keep on kissing my mouth and put that record on againI don't want to hear sad songs anymore

I only want to hear love songs

I found my heart up in this place tonight

Don't want to sing mad songs anymore

Only want to sing your song

Cause your song's got me feeling like I'm

I'm in love, I'm in love, I'm in love

I'm in love, I'm in love, I'm in love

I'm in love, I'm in love, I'm in love

Yeah, you know your song's got me feeling like I'mI don't want to hear sad songs anymore

I only want to hear love songs

I found my heart up in this place tonight

Don't want to sing mad songs anymore

Only want to sing your song

Cause your song's got me feeling like I'mI don't want to hear sad songs anymore

I only want to hear love songs

I found my heart up in this place tonight

Don't want to sing mad songs anymore

Only want to sing your song

Cause your song's got me feeling like I'mI'm in love, I'm in love, I'm in love
I'm in love, I'm in love, I'm in love
I'm in love, I'm in love
Yeah, you know your song's got me feeling like that
