

# Nightmares On Repeat

[Emily Jane White](#)

The love that you gave, keeps me here  
Calling out your name, keeps me here  
For the light was not there, for years upon yearsMaybe  
The way you walk will show just how to talk  
Myself into being here  
Draw close pull nearHolding your hand, keeps me here  
All the  
Ways you stand, keeps me here  
For the light, was not there  
For years, upon yearsMaybe the way you walk, will show me just how  
Talk  
Myself to sleep, nightmares on repeat  
Your insight, beautiful
