

In My Life

Diana Krall

There are places I'll remember
All my life, though some have changed.
Some forever, not for better;
Some have gone and some remain
All these places had their moments
With lovers and friends I still can recall.
Some are dead and some are living,
In my life I've loved them all
But of all these friends and lovers
There is no one compares with you.
And these memories lose their meaning
When I think of love as something new
Tho' I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them,
In my life I love you more
Tho' I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them,
In my life I love you more
In my life I love you more
