

# In My Life

[Diana Krall](#)

There are places I'll remember  
All my life, though some have changed.  
Some forever, not for better;  
Some have gone and some remain  
All these places had their moments  
With lovers and friends I still can recall.  
Some are dead and some are living,  
In my life I've loved them all  
But of all these friends and lovers  
There is no one compares with you.  
And these memories lose their meaning  
When I think of love as something new  
Tho' I know I'll never lose affection  
For people and things that went before,  
I know I'll often stop and think about them,  
In my life I love you more  
Tho' I know I'll never lose affection  
For people and things that went before,  
I know I'll often stop and think about them,  
In my life I love you more  
In my life I love you more
