

# The Girl Who Cried Wolf

## 5 Seconds of Summer

Eh eh oh  
Eh eh oh ooooh  
(I'm not leaving)  
Eh eh oh  
Eh eh oh ooooh Every time you say to me its over you just wanna start again  
It's just lies The girl who cries wolf every day  
Ignored by gravity but in the end  
Don't ask why  
You say you wanna  
But do you wanna  
Run away a great escape  
Oh yeah  
Where you going  
Always running  
Find a way to call it quits again  
So look at me in the eye  
Is anyone there at all  
Is anyone there at all  
Cause I'm not dreaming  
So look at me in the eye Is anyone there at all?  
Is anyone there at all? Cause I'm not leaving Eh eh oh  
Eh eh oh ooooh (Cause I'm not leaving)  
Eh eh oh Eh eh oh ooooh Does it have to be this tragedy this endless lost parade?  
A castle of facade of make believe  
The truth is spelt out in your eyes why don't you just reach out  
And make it clear to me  
What are you telling me?  
You say you wanna  
But do you wanna  
Run away a great escape oh yeah  
Where you going?  
Always running  
Find somewhere to call it quits again  
So look at me in the eye Is anyone there at all?  
Is anyone there at all?  
Cause I'm not dreaming So look at me in the eye  
Is anyone there at all?  
Is anyone there at all?  
Cause I'm not leaving  
(Cause I'm not leaving)  
(Cause I'm not leaving)  
Is anyone there at all?

Is anyone there at all?  
is anyone there?  
Is anyone there at all?  
Is anyone there at all?  
Is anyone there at all?  
Is anyone there at all?  
Cause I'm not dreaming  
Is anyone there at all?  
Is anyone there at all?  
Is anyone there?  
Is anyone there at all?  
Look at me in the eye  
Is anyone there at all?  
Is anyone there at all?  
I'm not dreaming  
Look at me in the eye  
Is anyone there at all?  
Is anyone there at all?  
Cause I'm not leaving  
Eh eh oh  
Eh eh ooooh  
Eh eh oh  
Eh eh ooooh
