## Beck

See me comin' to town with my soul  
Straight down out of the world with my fingers  
Holdin' onto the devil I know  
All my troubles'll hang on your trigger  
Take your eyes and your mind from the road  
Shoot your mouth if you know where you're aimin'  
Don't forget to pick up what you sow  
Talking trash to the garbage around you  
Na na, na na na na na  
Na na, na na na na na  
Na na, na na na na na  
Na na, na na na na na  
See me kickin' the door with my boots  
Broke down out in a ditch of old rubbish  
Snakes and bones in the back of your room  
Handin' out a confection of venom  
Heaven's drunk from the poison you use  
Charm the wolves with the eyes of a gambler  
Now I see it's a comfort to you  
Hammer my bones on the anvil of daylight  
Na na, na na na na na  
Na na, na na na na na  
Na na, na na na na na  
I won't give up that ghost  
It's sick the way these tongues are twisted  
The good in us is all we know  
There's too much left to taste that's bitter  
I won't give up that ghost  
It's sick the way these tongues are twisted  
The good in us is all we know  
There's too much left to taste that's bitter  
Na na, na na na na na  
Na na, na na na na na  
Na na, na na na na na  
Na na, na na na na na  
Na na, na na na na na  
Na na, na na na na na  
Na na, na na na na na  
Na na, na na na na na
