

Effigy

Numb

Effigy

you -- look at me yes, I hold you tight
how much do you love me will you die for me tonighttonight I burn tonight you die
tonight my sins go with you in loneliness and spiteclimb a burning ladder precious naive rung
cling to me as I to you the truth is donethis amputation my ghost my soul my light
you have no reflection you're my suicide
tonight I burn tonight you die
tonight my sins go with you in loneliness and spite
