

Common Emotion (feat. MNEK)

Rudimental

If were oceans apart, I'd keep sailing 'til we're on the same land
If there's no end to our start, I'd keep hold of it with both hands
Just say what's on your mind, cause I can't cope with false hope and pain
Am I wasting my time if I know you don't feel the same, the same? Let's find a common
emotion, something we both can feel
Let's dive, sink and drown in devotion, so I know that this real
Cause I want to feel a common emotion, common emotion
Common emotion, common emotion The dark dusk of sky, but my fears shine ironically
I've tried to unwind, but I'm struggling to find peace, find peace
I tried to find something sacred and mutual
But I'm losing my mind cause I don't know if you care at all, at all Let's find a common
emotion, something we both can feel
Let's dive, sink and drown in devotion, so I know that this real
Cause I want to feel a common emotion, common emotion
Common emotion, common emotion
Get out my car honey
Yeah, you gonna have to walk the rest of the way
Yeah cause I've been walking all my life
Yeah by tomorrow I be in the left cause I don't know where you're gonna be, get out my car
honey
