

# Grown

## Little Mix

Hold up, wait, you used to be a frenemy  
Back then boy, ya didn't even notice me  
Why now you tryna get a hold of me?  
We never even spoke so what makes you think you know me?  
It's funny how the tables turn  
I'm sitting back, baby, watching you burn  
No regrets, it's a lesson learned  
'Cause what you think ain't my concern About time that I let you know  
My ride and I assume control  
You blew it, baby, years ago  
Can't get with me, now I'm grown Hey, grown now, grown now  
Don't you know that I'm grown now, grown now  
Don't you know that I can hold my own, boy, you missed the boat  
Can't get with me, now I'm grown, hey  
Your voice dropped, you thought that you could handle me  
You played me and now you tryna holla me  
You're washed up and now I'm in a different league  
You're trying way too hard and I don't need your flattery  
Now it's funny how the tables turn  
I'm sitting back, baby, watching you burn  
No regrets, it's a lesson learned  
'Cause what you think ain't my concern About time that I let you know (I let you know)  
My ride and I assume control (oh)  
You blew it, baby, years ago  
Can't get with me, now I'm grown Hey, grown now, grown now  
Don't you know that I'm grown now, grown now  
Don't you know that I can hold my own, boy, you missed the boat  
Can't get with me, now I'm grown, hey  
You didn't want me it took too long (you didn't want me)  
You didn't want me and now I'm gone (you didn't want me)  
Oh, what a shame, baby, now I'm grown  
Oh, yeah  
Grown now, grown now  
Don't you know that I'm grown now, grown now (I'm grown)  
Don't you know that I can hold my own, boy, you missed the boat (whoa)  
Can't get with me, now I'm grown (yeah) Grown now, grown now  
Don't you know that I'm grown now, grown now (oh)
