

# Low

## Coldplay

You see the world in black and white  
No colour or light  
You think you'll never get it right  
But you're wrong. You might. The sky could fall, could fall on me  
The parting of the sea  
But you mean more, mean more to me  
Than any colour I can see All you ever wanted was love,  
But you never looked hard enough,  
It's never gonna give itself up All you ever wanted to be  
Living in perfect symmetry,  
Nothing is as down or as up as us  
You see the world in black and white  
Not painted right  
You see no meaning to your life  
You should try  
You should try All you ever wanted was love,  
But you never looked hard enough,  
It's never gonna give itself up All you ever wanted to be,  
Living in perfect symmetry,  
Nothing is as down or as up Don't you want to see it come soon,  
Floating in a big white balloon  
Come give her your own silver spoon Don't you want to see it come down?  
There for throwing your arms around  
And say "You're not a moment too soon."  
Cause I feel low, cause I feel low  
ooooh...  
Yeah I feel low  
oh no... oooh  
Cause I feel low, cause I feel low  
oh...  
Yet I feel low  
oh no... oooh
