

# Tweak Your Nipple (Tiësto Remix)

## Faithless

[uhum...]  
Like a tweak on your nipple...  
[uhum...][uhum...]  
Welcome once again to the ceremony  
Briefly, this is my testimony  
I see genius in everybody  
To perceive it in yourself is the difficulty  
Where you come from  
Really makes no difference to me  
Whether country or just another lonely city  
Like a lotus  
You possess the ability  
To produce flower and fruit  
Simultaneously  
Chorus: So drop your pebble  
In the mainstream  
Start a ripple  
It will buzz you  
Like a tweak on your nipple  
Tickle your sensibility  
Speak just a little  
The words have enough weight  
To turn rock to metal  
(Repeat Chorus x2)  
I see genius in everybody  
To perceive it in yourself is the difficulty  
But your individuality overflows the quality  
It manifests solidly  
If you believe  
A rich creativity, feverish energy  
And crazy synchronicity  
If you believe (Repeat Chorus x2) Like a tweak on your nipple...  
Like a tweak on your nipple...
