Humpin' Around

Bobby Brown

When you trust someone
And you know you're on their back
You ain't got no trustin' about youAnd you claim that you
Don't care where I'm at
You've given me reason to doubt youSay you trust someone

Why ya callin' all around

Think I've got some dip on the sideGirl you don't trust no one

And you constantly in doubt

You lose the game

If you play that wayGet up off me back

Save your heart attack

Ain't nobody is humpin' around

No matter what they say

No it ain't that way

Ain't nobody humpin' aroundWhen you love someone

And you want to love 'em right

Got to get more lovin' about chaWhen you know

That you're holdin' on too tight

Soon they will be leavin' without youSay that you love someone

Why you callin' all my friends

Thinkin' I got somethin' to hideGirl you don't love no one

You don't know what love's about

You lose the game

If you, if you play that way

Get up off me back

Save your heart attack

Ain't nobody is humpin' aroundNo matter what they say

No it ain't that way

Ain't nobody humpin' aroundGirl when you love someone

You don't call on everybody

Ain't nobody foolin' aroundAnd the more I think about it

You'll lose all your clout and

You lose the game baby

If you play that wayBack to the BB Brown
