

## Dynoro & Gigi D'Agostino

In my mind, in my head  
This is where we all came from  
The dreams we have, the love we share  
This is what we're waiting for In my mind, in my head  
This is where we all came from  
The dreams we have, the love we share  
This is what we're waiting for In my mind, in my head  
That is where...  
We all from...  
In my mind, in my head  
That is where...  
We all from...  
In my mind, in my head  
This is where we all came from  
The dreams we have, the love we share  
This is what we're waiting for In my mind, in my head  
That is where...  
We all from...  
In my mind, in my head  
That is where...  
We all from... In my mind, in my head  
This is where we all came from.  
The dreams we have, the love we share  
This is what we're waiting for In my mind, in my head  
This is where we all came from  
The dreams we have, the love we share  
This is what we're waiting for  
In my mind, in my head  
That is where...  
We all from...  
In my mind, in my head  
That is where...  
We all from... In my mind, in my head  
This is where we all came from  
The dreams we have, the love we share  
This is what we're waiting for In my mind, in my head  
That is where...  
We all from...  
In my mind, in my head  
That is where...  
We all from... In my mind, in my head  
That is where...

We all from...  
In my mind, in my head  
That is where...  
We all from...
