

# Oh Girl You're the Devil

MIKA

She's a girl with a bag full of hearts and a devil's eye  
Crazy kids in the wild on the run for the county line  
Shotgun for a tongue but says just what she likes  
Oh girl, you're the devil  
Oh girl, you got the devil inside  
And I said, "Follow me"  
Whoever you want to be  
Don't care where you, where you go  
As long as you stay with me  
And I said, "Follow me"  
Whoever you want to be  
Don't care where you, where you go  
As long as you stay with me  
Oh girl, you're the devil (She's a bad, bad girl)  
Oh girl, you got the devil inside (A very bad girl)  
Oh girl, you're the devil (She's a bad, bad girl)  
Oh girl, you got the devil inside (A very bad girl)  
Growing up as the son of a preacher in a  
Catholic school  
Jumps out of a closet head first no parachute  
Bought a one way ticket on a Greyhound out of town  
Oh boy, you're the devil  
Oh boy, you're the devil I found  
And I said, "Follow me"  
Whoever you want to be  
Don't care where you, where you go  
As long as you stay with me  
And I said, "Follow me"  
Whoever you want to be  
Don't care where you, where you go  
As long as you stay with me  
Oh girl, you're the devil (She's a bad, bad girl)  
Oh girl, you got the devil inside (A very bad girl)  
Oh boy, you're the devil (He's a bad, bad boy)  
Oh boy, you got the devil inside (A very bad boy)  
Oh girl, you're the devil (She's a bad, bad girl)  
Oh girl, you got the devil inside (A very bad girl)  
Oh boy, you're the devil (He's a bad, bad boy)  
Oh boy, you got the devil inside (A very bad boy)  
And I said, "Follow me" (She's a bad, bad  
girl)  
Whoever you want to be (A very bad girl)  
Don't care where you, where you go (He's a bad, bad boy)  
As long as you stay with me (A very bad boy)  
And I said, "Follow me" (She's a bad, bad girl)  
Whoever you want to be (A very bad girl)  
Don't care where you, where you go (He's a bad, bad boy)  
As long as you stay with me (A very bad boy)  
She's a bad, bad girl  
A very bad girl  
He's a bad, bad boy  
A very bad boy  
She's a bad, bad girl  
A very bad girl

He's a bad, bad boy  
A very bad boy
