

How You Love Me Now

Hey Monday

woh woah

woh woah

woh woah

woh woah

You were talking to her

But messing with me

It's finally clear You're blurring the lines

Are you disturbed? Oh, now you care

Why do you race through my red lights?

Can't understand

I'll slow it down for you

Tell me how can you sleep?

How can you breathe?

Baby tell me how

How you love me now

Tell me how can you sleep?

How can you breathe?

I hate when you say

How you love me now

Save, save it for her

I'm not gonna hear Your reasons and "please-just-take-me-backs"

We never were right Don't waste your breath

You crashed and you're on your own tonight

Can't understand

I'll slow it down for you

Tell me how can you sleep?

How can you breathe?

Baby tell me how

How you love me now

Tell me how can you sleep?

How can you breathe?

I hate when you say

How you love me now

Lights out

I found out My falling star

Goodbye

The sun rises here

There's no more you and I

How can you sleep?

How can you breathe?

Baby tell me how

How you love me now

Tell me how can you sleep?
How can you breathe?
I hate when you say
How you love me now
How you love me now
How you love me now
