

# Ode to the Bouncer

## Studio Killers

Ooh, let me in or I'll get physical with you  
I just gotta dance right now, it's critical to do  
    No, I haven't had no dope  
    Lift up the velvet rope  
    Mr doorman stop teasing  
    I'm freezing out here  
    See, I've got friends inside  
    It's my birthday tonight  
    And I'm not wearing trainers  
    Not to mention knickers  
    It's futile to debate  
    With St Peter at the gate  
    Made of protein milkshake  
And low carb intake Cause all in all you're just  
Another prick at the door Ooh, let me in or I'll get physical with you  
I just gotta dance right now, it's critical to do  
    Bouncer, hey bouncer,  
    Bouncer, bounce bounce bouncer  
I just gotta dance right now, it's critical.  
Ooh, bouncer, empowered and aroused  
I see it in your trousers And in the way you browse her  
    Look she's in!  
    What?! Her dress is up to waterline  
    That bitch is clearly borderline  
Nose as white as Snow White's, in moonlight  
    We stand in awe in front of  
    Another prick at the door  
Ooh, let me in or I'll get physical with you  
I just gotta dance right now, it's critical to do  
    Bouncer, hey bouncer,  
Bouncer, bounce bounce bouncer I just gotta dance right now, it's critical. Bounce bounce  
    bouncer  
Ooh, let me in or I'll get physical  
I just gotta dance right now, it's critical  
    So you can play karate  
    You thick illiterati  
    I'm a black belt in life  
    So go home to your ugly wife  
    You forgot in your wisdom  
    The window to the ladies room  
A whole new possibility for a cat like me  
Ooh, let me in or I'll get physical with you

I just gotta dance right now, it's critical to do.  
Bouncer, bounce bounce bouncer  
I just gotta dance right now, it's critical.
