

Into You (feat. Sinéad O'Connor) [Club Mix]

Sonny Fodera

Oh, oh
Yeah We're up in the sky
Just you and I
Yeah, we're floating
Like sugar, so sweet
You're my honey bee
And you know it How I love to say your name
You're the fire in the flame
I wanna shower you with my affection
Like the moon against the sea
Oh, the way you're moving me
I even see you in my own reflection
I'm into you
I'm in, I'm in, I'm into you
I'm in, I'm in, I'm in, I'm into you
I'm in, I'm in, I'm in, I'm into you
I'm in, I'm in, I'm in, I'm in, I'm in, I'm in, I'm into you I'm into you
I'm into you
I'm into you
I'm into you
I'm into you
I'm into you
Whenever you call
Soothing my soul
Like a song
Could listen to you
'Til we're 92
Never too long How I love to say your name
You're the fire in the flame
I wanna shower you with my affection
You're the light that I shadow
'Cause you're the one who I follow
Give you my undivided, full attention I'm into you
I'm into you
I'm into you
I'm into you I'm into you
I'm into you

I'm into you
