

Friday Fish Fry

Kelis

I said all right dad, game's up, oh I said all right daddy, game over
Give me what I want, give me what I need

I'm beggin' you please, I'm down on my knees
Give me what I want, give me what I need
I said I'm beggin' you please, I'm down on my knees

Give me what I want, give me what I need
I'm beggin' you please, I'm down on my knees
Give me what I want, give me what I need
I said I'm beggin' you please, I'm down on my knees

Price on everything
And sister said that ain't right
But you say that's the thing
And I don't wanna fight, but see
The Bible never said find a man and
Take that man to bed, see
Quite contrary, hey, I -
I know what it said
'Cause you ain't right

You ain't right
Give me what I want, give me what I need see
I'm beggin' you please, I'm down on my knees
Give me what I want, give me what I need see
I'm beggin' you please, oh
Give me what I want, give me what I need see
I'm beggin' you please, I'm down on my knees
Give me what I want, give me what I need see, oh

I'm beggin' you please, I'm down on my knees
Prize for someone else, but you dirty up my life, see

You just make a mess and sure the idea sounds nice

But you're not even - you're not even what I like see

I want that tall drink of water I notice in the corner
Hey you (Who us?)

Hey you
I need ice cold water
I need ice cold water
(She needs ice cold water)
(She needs ice cold water)

(She needs ice cold water)
(She needs ice cold water)
(Rock back and forth with me)
No not too close to me
(Rock back and forth with me)
No not too close to me
(Rock back and forth with me)
No not too close to me
(Rock back and forth with me)
Oh no, no, no, no, no
(Well all right) Give me what I want, give me what I need
I'm beggin' you please, I'm down on my knees
Give me what I want, give me what I need
I said I'm beggin' you please, I'm down on
my knees Give me what I want, give me what I need
I'm beggin' you please, I'm down on my knees
Give me what I want, give me what I need
I said I'm beggin' you please, I'm down on
my knees
Give me what I want, give me what I need
I'm beggin' you please, I'm down on my knees
Give me what I want, give me what I need
I said I'm beggin' you please, I'm down on
my knees
Give me what I want, give me what I need
I'm beggin' you please, I'm down on my knees
Give me what I want, give me what I need
I said I'm beggin' you please, I'm down on
my knees
