

# The Very Thought of You (feat. Linda Ronstadt)

[Aaron Neville](#)

The very thought of you and I forget to do  
The little ordinary things that everyone ought to do  
I'm living in a kind of daydream and I'm happy as a king  
And foolish as it may seem to me that's everything  
The mere idea of you, the longing here for  
you  
You'll never know how slow the moments go till I'm near to you  
I see your face in every flower your eyes in stars above  
It's just the thought of you the very thought of you, my love  
I'm living in a kind of daydream  
and I'm happy as a king  
And foolish as it may seem to me that's everything  
The mere idea of you, the mere idea of you  
The longing here for you, the longing here for you  
You'll never know how slow the moments go till I'm near to you  
I see your face in every flower, your eyes in stars above  
It's just the thought of you, the very thought of you, my love  
The mere idea of you, the longing here for you  
It's just the thought of you the very thought of you, my love
