Helium (Sia vs. David Guetta & Afrojack)

Sia, David Guetta & Afrojack

I'm trying but I keep falling down I cry out but nothing comes now

I'm giving my all and I know peace will come

I never wanted to need someone Yeah, I wanted to play tough

Thought I could do all just on my own

But even Superwoman

Sometimes needed Superman's soulHelp me out of this hell

Your love lifts me up like helium

Your love lifts me up when I'm down down

When I've hit the ground

You're all I need

And if you let go I'll float towards the sun

I'm stronger 'cause you fill me up

But when the fear comes and I drift towards the ground

I am lucky that you're around Yeah, I wanted to play tough

Thought I could do all just on my own

But even Superwoman

Sometimes needed Superman's soulHelp me out of this hell

Your love lifts me up like helium

Your love lifts me up when I'm down down down

When I've hit the ground

You're all I need

'Cause your love lifts me up like helium

Your love lifts me up like helium

You lift me up and I am found

You lift me up before I hit the ground

You lift me up when I'm down down down

You lift me up before I hit the ground

You lift me up and I am found

You lift me up before I hit the ground

You lift me up when I'm down down down

You lift me up before I hit the ground!Your love lifts me up like helium

Your love lifts me up when I'm down down down

When I've hit the ground

You're all I need

'Cause your love lifts me up like helium
