

Sorry (Dirty South Remix)

Kaskade

On no, no, no, no, no, no, no, no How you thought that it's been a while
I do admit that you're still lookin' fine
You seemed surprised when you looked at me
And you're wonderin' why I look so happy
Please forgive me if I ain't sad
Cuz you left the best thing you had
I moved on and that is a fact
How'd you really expect me yah ah ah
[Hook:]
(Did you think I'll lay down and cry
cuz you said that you didn't want to be with me)
(Did you think I'd give up and I
(I'm sorry baby, I'm sorry baby)
(Did you think I'd lay down and cry, cuz you said that didn't want
to be with me)
(Did you think I'd give up and I
(I'm sorry baby, I'm sorry baby) Now you say that you want to be friends
Should I let my guard down and let you in
Sorry boo' I can't get with that
I can't see myself goin' back
When you left me, I got strong
I got up and now I'm alone
No more cryin' in my bed
No more playin' with my head
[Hook] So don't you dare try and come back
Cuz I'm leavin' with my feelins' intact
I walked through the door, a very long time ago
You won't never hurt my feelings no more
You see, fooled me once and then it's on you what's a girl to do
But do it twice, and I am considered the fool (sorry, baby) baby (sorry) sorry (baby) baby
(sorry) sorry (baby)
baby, sorry, ohhh (baby sorry) sorry, (baby), baby... [Hook 2xs]
