

Him

Rupert Holmes

Over by the window
There's a pack of cigarettes
Not my brand, you understand
Sometimes the girl forgetsShe forgets to hide them
I know who left those smokes behind
She'll say, "Oh, he's just a friend"
And I'll say, "Oh, I'm not blind toHim, him, him"
What's she gonna do about him?
She's gonna have to do without him
Or do without me, me, me
No one gets to get it for free
It's me or it's him
Don't know what he looks like
Don't know who he is
Don't know why, she thought that I
Would say what's mine is hisI don't want to own her
But I can't let her have it both ways
Three is one too many of us
She leaves with me, or says withHim, him, him
What's she gonna do about him?
She's gonna have to do without him
Or do without me, me, me
No one gets to get it for free
It's me or it's him
Oooh, oooh, oooh, oooh - oooh
Oooh, oooh, oooh, oooh - oooh
Oooh, oooh, oooh, fwee
Oooh, oooh, oooh, fwee
Woho ho oooh oh ooh ooh ooh oh
Oh oh oh ohIf she wants to, she can have him
Just exactly how we once were
It's goodbye to he and I
And back to me and her withoutHim, him, him
What's she gonna do about him?
She's gonna have to do without him
Or do without me, me, me
No one gets to get it for free
Time for me to make the girl see
It's me or it's him, him, him
What's she gonna do about him?
She's gonna have to do without him
Or do without me, me, me

No one gets to get it for free
Time for me to make the girl see
It's me or it's him
