

Stars Die

Porcupine Tree

The moon shook
And curled up like gentle fire
The ocean glazed
And melted wireVoices buzzed
In spiral eyes
Stars dived
In blinding skiesStars die
Blinding skies
Tree cracked
And mountain cried
Bridges broke
And window sighedCells grew up
And rivers burst
Sound obscured
And sense reversedStars die
Blinding skiesIdle mind
And severed soul
Silent nerves
And begging bowl
Shallow haze
To blast a way
Hyper sleep
To end the dayStars die
Blinding skies
