

# When You Believe (with Maren Morris)

## Pentatonix & Maren Morris

Many nights we've prayed  
With no proof anyone could hear  
In our hearts a hopeful song we barely understood  
Now we are not afraid  
Although we know there's much to fear  
We were moving mountains  
Long before we knew we could  
There can be miracles when you believe  
Though hope is frail, it's hard to kill (oh ooh oh)  
Who knows what miracles you can achieve  
(You can achieve)  
When you believe, somehow you will (oh ooh oh)  
You will when you believe (ooh oh)  
In this time of fear when prayer so often proves in vain  
Hope seems like the summer bird summer bird  
Too swiftly flown away (ah ah ah)  
Yet now I'm standing here  
My heart so full, I can't explain  
Seeking faith and speaking words (never thought)  
I never thought I'd say  
There can be miracles when you believe  
(When you believe)  
Though hope is frail, it's hard to kill (oh ooh oh)  
Who knows what miracles you can achieve  
(You can achieve)  
When you believe, somehow you will (oh ooh oh)  
You will when you believe  
They don't always happen when you ask  
And it's easy to give in to your fears  
But when you're blinded by your pain  
Can't see your way here through the rain  
We're small, but still, we're singing far  
Says help is very near  
There can be miracles when you believe  
(When you believe)  
Though hope is frail, it's hard to kill  
(It's hard to kill)  
Who knows what miracles (miracles)  
You can achieve  
When you believe, somehow you will  
(Somehow you will)  
Now you will, oh-oh oh oh  
You will when you believe Ooh ooh ooh  
You will when you believe
