

While We're In Love

Ivy

While we're in love
We'll bleed each other dry
We'll hold each other close
We'll make each other cry
While we're in love
We'll get what we deserve
Until we lose our faith
Unit we lose our nerve
We know it won't last forever
'Cause we're not meant to be together
Make the best of a bad situation
Face the fear and the desperation
While we're in love
While we're in love
While we're in love
We'll drag ourselves around
We'll hold each other up
We'll tear each other down
We know it won't last forever
'Cause we're not meant to be together
Make the best of a bad situation
Face the fear and the desperation
While we're in love
While we're in love
