Internet Money

We love you, Tecca Why you jackin' static, jackin' static 'til we roll up
I got all these bitches lovin' me like I am Sosa
Stop talkin' with your chest, lil' bitty bitch, you better bold up
Told her, "Hit my jack," and when she hit me, told her, "Hold up" I just want somebody, 'body
To treat me like somebody, 'body
And not like anybody, 'body
All you gotta do is love me for me, girl
I just want somebody, 'body (Yeah, yeah)
To treat me like somebody, 'body (Yeah, yeah, yeah)
And not like anybody, 'body
All you gotta do is love me for me, girl
I just want somebody, body
To treat me like somebody, body
You wanna talk? You better call me, call me
Don't gotta wait, don't gotta stall me, stall me
You know I'm on my phone, I pick it up when it ring

I just want somebody, 'body
To treat me like somebody, 'body
And not like anybody, 'body
All you gotta do is love me for me, girl

Stop talkin' with your chest, lil' bitty bitch, you better bold up
Told her, "Hit my jack," and when she hit me, told her, "Hold up" I just want somebody, 'body
To treat me like somebody, 'body
And not like anybody, 'body
All you gotta do is love me for me, girl
I just want somebody, 'body (Yeah, yeah)
To treat me like somebody, 'body (Yeah, yeah, yeah)
