

# Put a Little Umph In It (feat. Ashanti)

## Jagged Edge

I love it when you grind on me  
When you put it right on me  
All the faces that you make  
All the sounds you create  
When you put a little  
When you put a little bit of humph in it  
That's when I lose control  
When you put a little humph in it  
Start squeezin' and you won't let go  
When you put a little humph in it  
Keep tellin' me how much you love me  
When you put a little humph in it  
When you put a little bit of humph in it, ooh  
She's so scandalous  
But I love everything she do the best (yeah,  
yeah)  
Ain't no competition, so down wit it  
And so submissive  
I'm in all, all of you, you're my mission  
Got my mind in a trance and my body sure to  
follow  
Ooo, keep doin' that thing you do  
Go head and ride  
I love it when you grind on me  
When you put it right on me  
All the faces that you make  
All the sounds you create  
When you put a little  
When you put a little bit of humph in it  
That's when I lose control  
When you put a little humph in it  
Start squeezin' and you won't let go  
When you put a little humph in it  
Keep tellin' me how much you love me  
When you put a little humph in it  
When you put a little bit of humph in it, ooh  
I love it when you strip for me  
Ain't lookin' for a tip  
Plus I love the way you shake ya hips for me  
And the way you lick ya lips  
And do them little thangs to get me off  
All I wanna do is get you off

Say you wanna be my girlfriend  
Baby you done paid the cost  
Ooo, Ooo (Ooo) so you gonna hit when the  
lights go off  
Lovin' how you do it  
And I don't think there's another girl in the  
world for me  
I love it when you grind on me  
When you put it right on me  
All the faces that you make  
All the sounds you create  
When you put a little  
When you put a little bit of humph in it  
That's when I lose control  
When you put a little humph in it  
Start squeezin' and you won't let go  
When you put a little humph in it  
Keep tellin' me how much you love me  
When you put a little humph in it  
When you put a little bit of humph in it, ooh  
Hey boy, you're the only one that I want  
You're the only one that I  
Wanna give it to in every way  
I wanna please ya, not tease ya  
Like this, you say you like when I squeeze a lil  
bit  
Well, you ain't felt nothin' yet (nothin' yet)  
I hear this beat in my head  
Watch me move my hips to it  
Left to right, right to left  
I'ma have ya outta breath  
When I put a little humph in it  
When I put a little humph in it, ooh  
Back and forth, all my love  
You gon' want some more  
When I put a little humph in it  
When I put a little humph in it, ooh  
I love it when you grind on me  
When you put it right on me  
All the faces that you make  
All the sounds you create  
When you put a little  
When you put a little bit of humph in it  
That's when I lose control  
When you put a little humph in it  
Start squeezin' and you won't let go  
When you put a little humph in it  
Keep tellin' me how much you love me  
When you put a little humph in it

When you put a little bit of humph in it, ooh
