Losing My Religion

R.E.M.

Oh life, it's bigger

It's bigger than you And you are not me The lengths that I will go to The distance in your eyes Oh no, I've said too much I set it upThat's me in the corner That's me in the spotlight Losing my religion Trying to keep up with you And I don't know if I can do it Oh no, I've said too much I haven't said enough I thought that I heard you laughing I thought that I heard you sing I think I thought I saw you tryEvery whisper Of every waking hour I'm choosing my confessions Trying to keep an eye on you Like a hurt, lost and blinded fool, fool Oh no, I've said too much I set it upConsider this Consider this, the hint of the century Consider this, the slip That brought me to my knees, failed What if all these fantasies come Flailing around Now I've said too much I thought that I heard you laughing I thought that I heard you sing I think I thought I saw you tryBut that was just a dream That was just a dreamThat's me in the corner That's me in the spotlight Losing my religion Trying to keep up with you And I don't know if I can do it Oh no, I've said too much I haven't said enoughI thought that I heard you laughing I thought that I heard you sing I think I thought I saw you tryBut that was just a dream Try, cry, why try That was just a dream
