

Ain't No Sunshine

Ken Boothe

Ain't no sunshine when she's gone
It's not warm when she's away
Ain't no sunshine when she's gone
'Cause she's always gone too long anytime she goes away
Wonderin' this time where she's gone
Wonderin' if she's gonna stay
Ain't no sunshine when she's gone
And this house just ain't no home anytime she goes away
And I know I know I know I know I know
I know I know I know I know I know
I know I know I know I know I know
I know I know I know I know I know
I know I know I know I know I know
Hey, you're gonna leave your thing alone
'Cause ain't no sunshine when she's gone
Only darkness every day
Ain't no sunshine when she's gone
And this house just ain't no home anytime she goes away
Anytime she goes away
Anytime she goes away
Anytime she goes away
