

# So Far Away

## Staind

This is my life  
It's not what it was before  
All these feelings I've shared  
And these are my dreams That I'd never lived before  
Somebody shake me 'cause I  
I must be sleepin' Now that we're here  
It's so far away  
All the struggle we thought was in vain  
And all the mistakes  
One life contained  
They all finally start to go away  
And now that we're here  
It's so far away  
And I feel like I can face the day  
And I can't forget that I'm not ashamed  
To be the person that I am today  
These are my words  
That I've never said before  
I think I'm doin' okay  
And this is the smile  
I've never shown before  
Somebody shake me 'cause I  
I must be sleepin' Now that we're here  
It's so far away  
All the struggle we thought was in vain  
And all the mistakes  
One life contained  
They all finally start to go away  
And now that we're here  
It's so far away  
And I feel like I can face the day  
And I can't forget that I'm not ashamed  
To be the person that I am today  
I'm so afraid of waking  
Please don't shake me  
Afraid of waking  
Please don't shake me Now that we're here  
It's so far away  
All the struggle we thought was in vain  
And all the mistakes  
One life contained  
They all finally start to go away  
And now that we're here

It's so far away  
And I feel like I can face the day  
And I can't forget that I'm not ashamed  
To be the person that I am today
