Grenade (Acoustic)

Bruno Mars

Easy come, easy go, that's just how you live oh
Take, take, take it all, but you never give
Should have known you was trouble from the first kiss
Had your eyes wide open,

Why were they open? Gave you all I had and you tossed it in the trash

You tossed it in the trash, you did

To give me all your love is all I ever asked 'cause

What you don't understand is I'd catch a grenade for ya (yeah, yeah)

Throw my head on a blade for ya (yeah, yeah)

I'd jump in front of a train for ya (yeah, yeah)

You know I'd do anything for ya (yeah, yeah)Oh oh, I would go through all this pain

Take a bullet straight through my brain

Yes, I would die for ya baby But you won't do the same

No, no, no, no

Black, black, black and blue.

Beat me 'til I'm numb,

Tell the devil I said 'hey' when you get back to where you're from

Mad woman, bad woman

That's just what you are,

Yeah you'll smile in my face then rip the brakes out my carGave you all I had and you tossed it in the trash

You tossed it in the trash, yes you did

To give me all your love is all I ever asked

'Cause what you don't understand is I'd catch a grenade for ya (yeah, yeah)

Throw my head on a blade for ya (yeah, yeah)

I'd jump in front of a train for ya (yeah, yeah)

You know I'd do anything for ya (yeah, yeah)

Oh oh, I would go through all this pain,

Take a bullet straight through my brain,

Yes, I would die for ya baby,

But you won't do the sameIf my body was on fire,

Oh you'd watch me burn down in flames

You said you loved me you're a liar 'cause you never,

Ever, ever did babyBut darling I'll still catch a grenade for ya (yeah, yeah)

Throw my head on a blade for ya (yeah, yeah)

I'd jump in front of a train for ya (yeah, yeah)

You know I'd do anything for ya (yeah, yeah)Oh oh I would go through all this pain

Take a bullet straight through my brain

Yes, I would die for ya baby

But you won't do the same

No, you won't do the same

You wouldn't do the same Oh, you'll never do the same No, no, no, no Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
