

I'll Be the One (feat. Milkman)

Boyce Avenue

I'll be the one
When it's getting hard to breathe
You can fall on me,
You can fall on me,
You can fall on me. I'll be the one
That you can always reach
You can call on me,
You can call on me,
You can call on me.
I can be
The one for you, the one you need
And I can be
Your everything
Yeah, everything you need
This is all that I want
This is all that I need
I can be
The one for you, the one you need
The one. I'll be the one.
I'll be the one. I'll be the one
If you're ever lost at the sea
You can rock with me
You can rock with me
You can rock with me
I'll be the one
To throw away the key
You can stay with me
You can stay with me
You can stay with me I can be
The one for you, the one you need
And I can be
Your everything
Yeah, everything you need
This is all that I want
This is all that I need
I can be
The one for you, the one you need
The one. I'll be the one
I'll be the one
I'll be the one This is all that I want
This is all that I need
I can be the one for you, the one you need,

The one.I'll be the one

I'll be the one

I'll be the one

I'll be the one
