

# Something Going Wrong

## Chickenfoot

Summer gonna bring big fire  
Summer gonna bring big fire  
Water gonna bring big rain  
Water gonna bring big rain Oh, I, I got a feelin'  
Something's goin' on  
I, I got a feelin'  
Something's goin' wrong  
Something's goin' wrong Something's in the air  
My baby can't breathe the air  
Ground gonna tremble and shake  
Kobe gonna bring big quake  
Oh, I, I got a feelin'  
Something's goin' on  
I, I got a feelin'  
Something's goin' wrong I'm gonna buy myself an ark  
A big, old, seven, seven, seven  
And with wind and solar power  
I'm gonna fly my way to heaven Somebody got a-left behind  
Who will be the next in line? Oh, I, I got a feelin'  
Something's goin' on  
I, I got a feelin'  
Something's goin' wrong  
I, I got a feelin', yeah  
Something's goin' on  
Oh, I, I got a feelin'  
Something's goin' wrong  
Something's goin' wrong
